

# AED of BC Internal Scholarship Program

## Two Awards of \$1,500 Each

**Scholarship #1** will be awarded only to students who are or immediately related to AED BC Chapter members.

**Scholarship #2** can be awarded only to students who are or immediately related to AED BC Chapter members, or to anyone else deserving of the award.

### Criteria

- Student must be entering or continuing studies leading to a career in Heavy Duty Mechanics Programs, Parts & Warehousing programs, Business, Financial or Marketing Programs.
- Program of study may be either full or part-time at any accredited BC college, university, technical or trades institute.
- Individuals returning back to school to upgrade their skills and knowledge are welcome to apply.

### Please provide the following with your application:

- A brief 250-500 word essay explaining interest in obtaining an education in the selected field and career goals.
- Transcripts from any secondary and post-secondary institutions attended.
- A brief summary of any community involvement, volunteer service or extra-curricular activities if applicable.
- Proof of enrolment in accredited BC college, university, technical or trades institute.
- A resume.
- URL to your LinkedIn Profile, if applicable.

### Judging:

- The AED of BC will have a committee who will decide who the successful candidates are.
- Deadline is March 15th of each year.
- Winners will be contacted directly by the Association.
